“ *Oh that beautiful hair!!!! I was very lucky to have Sheryl as my best friend in jr high and high school. And as I would hang out at the house Mike would shower and wash his hair and then afterwards he come out and sit on an ottoman in front of me and he'd have me comb out all his tangles. I was so jealous of that beautiful thick hair. What a trade mark. Love'd you just like a brother, RIP Mike. 🍷*

“ *I'm so devastated that my friend has gone. Wanda, Theresa, and Sherry my buddy was so loved by so many. How will I go on without his visits to check in? We spent our young lives almost joined at the hip. I remember once going to Ocean City and we stayed at 10th street and had a ridiculous time. One evening we went walking down the boardwalk and Mike was strutting a white French cut t-shirt with "Rock Star" emblazed in glitter and looking back only Mike could have pulled that off and make it look great and now this,*

I know now it's hard but some day, hopefully soon, we will remember Mike and all of his memories and only think of the good times and have a smile or a laugh. My wife only got to know him for a short time but loved him as much as I did. RIP Mike, See you soon!

“ *Theresa & Sherry, my thoughts and prayers are with you both at these sad days. We all 3 go way back and we all had some memorable times, especially Mike and I. He called me couple months ago when I was still down and we talked about getting together when I was better. I wish it could of been, so many stories and old times we could of caught up on. RIP Mike, you will be missed by all that truly knew you, Bobby &^ Kathy Guy*

“ Mike you were such a good person , you & Clayton were best friends growing up. You left us way to soon , but we have such good memories of our times together. I just can't believe your gone honey , I wasn't expecting that kind of phone call from both your Sisters.

I am so lost for words , So many people took the news hard , you had so many friends , you will be missed so much. You sure did put a lot of smiles on a lot of people's faces . But I know your with your Momma now and that's the only thing that makes me be able to handle you being gone ! There's so many wonderful things I want to say about you , but anyone who knows you already knows theses wonderful things about you. I know that Theresa & Sherry will miss you so much , they loved you to the Moon & Back ! I hope you see my beautiful niece up there , her name is Tonia , if you do tell her that I love her !

Mike I hope you knew that you held such a special place in my heart , until I see you again I'll be thinking of you xoxoxoxo

“ Mike was our neighbor from 2008 until his passing. He always brought me stuff from his travels. It was so sweet that he thought of me so often. I will always keep him alive in my memory when I see the fishing pole, model ship and the other bric-a-brac he brought for me. He spent many hours visiting keeping us entertained with stories of his crazy past. He came to a cookout I held at my house a few weeks ago and I am so happy now that he decided to accept our invitation! He was the life of the party! Everyone enjoyed his company and I truly believe he made the evening more enjoyable for all just because he was there. We kept his beloved bike in storage in our garage for several years. My husband and him would spend hours in the garage talking "shop" going over all kinds of motorcycle stories, details, taking advice on what to do next to each other's motorcycles, etc. Mike was always going 100 miles a minute. He will be sorely missed.
