“ I've known the Harrell family since I was young, Mike, Jackie, and Ricky were the ones that made you laugh., and never be afraid. I grew up knowing the Horrible on Green Street in Clinton. Ricky has always been my brothers friend. I loved Mike he always smiled, and could make you feel like you mattered. Always a hug when I saw him and a big smile," how have you been". Mike will definitely be missed. RIP Mike..Much love and my deepest sympathies to the Harrell family.

Mike, you have cleared away the wreckage of the past. You have trudged the road of happy destiny, and helped many people in your journey. Your journey has ended and you are with your Higher Power. May God Bless you and your family during this period of grief. You will be missed by many who have known you but I am sure you will not be forgotten. I would like to take this opportunity to thank your family for sharing you with me and you, obviously, for being my friend. We shall meet again when I join you at the end of my journey. God Bless.
