“ Growing up in this area years ago and raising two boys of our own , our family had the privilege to become part of Michael's life. He was very close friends with my two boys as they had there share of cars and motor-cycle adventures. His heart was pure and his soul was kind ...he loved hunting and fishing anything out doors. May the Lord Jesus Christ give him rest until that time when we reunite.
AMEN

“ I am just heartbroken learning the news that Michael "Mikey" Legagneux Jr. has passed. My deepest sympathies, thoughts and prayers are with his father Mike, Kimberly and their precious daughters along with our entire family of cousins who mourn for Mikey. No one understands our personal fears or why we go through certain pains in life. He was at a loss when his mother Susie died. And it wasn't too long after that when I was told about the decline of his health and our fears of losing him. Last night, after learning the sad news of his passing, I realized how time has exposed what Mikey has meant to me while reminiscing of shared experiences that I hold in my mind and heart of watching this sweet smiling "shy" little boy growing up into a sweet smiling handsome man. These thoughts fill me with joy and laughter thinking of him with his cousins at our family get-togethers and knowing the heartbreak we each feel at this time. This doesn't seem fair or possible that Mikey is gone, but it is God's decision to call him home. On those beautiful sunny days I will think of you smiling on us Mikey as you have always brightened our day. God Bless you and keep you safe. RIP

So sorry to hear of his passing. I never met him but heard his dad speak fondly of him many times. I feel sure he was a really great guy, like his dad and will be sorely missed by all who knew and loved him.
