

Michael Ray Lewis

November 1, 1959 - June 7, 2023

Michael Ray Lewis, 63, of Brandywine, MD passed away on June 7, 2023, at George Washington Hospital, Washington, DC.

Michael was born on November 1, 1959, in Hawaii, to Dolores Ann (Combs) and Homer Alexander Lewis.

What to say about Michael Lewis. He was one of the nicest, kindest and generous people you could meet. It would be just about impossible for someone to meet him and not like him. At times though, especially when playing Madden with his brothers, he could also be quite annoying. He loved to bowl, fish and shoot pool. He will be missed by his friends and co-workers.

Most of all he will be missed by his family:

Sister Donna Warren, her husband Roger Warren and their children Daryl and Carrie. His Brother Ricky Lewis, his wife Patty and their children Melissa, April and their families. He will be especially missed by his sister Vicki Lewis. The two of them had a very special bond that would warm the hearts of anyone who saw them together.

He will be missed by my Wife Elena and our daughter Sheila. Both loved him very much. We spent many nights together over the years. They provided love, support and care when it was needed the most. Not only for him but me

also.

Then there is me. His brother David. He wasn't just my brother. He was my best friend and my buddy. I will not say goodbye because I will never let him go. Love You Bro.

For quite some time Mike was ill, but he fought to the end. We all can take comfort knowing that he now has peace. We should celebrate the fact that we had the pleasure of knowing him. He should be an inspiration to us all to fight the good fight and never give up even when we think we should. That is what he did. We will always miss you Mike, but you will always be in our hearts, especially mine for sure.

All Services will be private.

In lieu of flowers memorial contributions in Michael's name are asked to Melwood, 5606 Dower House Road, Upper Marlboro, MD 20772.
