“ I had both the pleasure and honor of working the road when we both began our respective careers, Mike with MSP and myself with the Sheriff's Office in Charles County. We often backed each other up on calls and came to know each other well. During the "MSP versus Sheriff's Office Wars" Mike and I often did not agree but our friendship was never in question. Mike always got a big smile on his face when he saw me and I him. Of course, if one of us got a chance to play a joke on the other we did it in glee and with friendship. Since retiring in 99 I've often thought of Mike and asked after him through contacts I still maintained. Mike was as solid a road officer as any I ever worked alongside and always his focus point was the citizen we were attempting to assist, or even apprehend. I'm proud to have been able to call Mike "My Friend!" Lt DB Wright #86 CCSO Ret. Las Vegas, NV

I had the privilege of working with Mike Muth for probably 30 years on the NLEOMF Board. He was easy to work with and certainly dedicated to the law enforcement profession. He served on numerous law enforcement boards, committees, and events. He was a treasure to his family and so many people who knew him, loved him, and worked with him. My heartfelt condolences to all those people because I happen to be one of them.
