Mike spent every Sunday morning listening to GAC (Great American Country).

In addition to his father he is predeceased by his son Angelo Michael Rabasco and brother Dwayne Rabasco.

“ I have 29 years of memories I could share! Mike was an awesome person and I was blessed to be able to call him my Uncle. And most recently, the most memorable moment was when I was showing him and Patty a house that was for sale and he said he had to use the restroom in the house. Ten minutes later he comes out and says that it was a “sh\*\*ty house” and he wasn’t interested no more but that we should probably get out of there. Absolutely hilarious! We all got out of there real quick!

*Going to miss him! Family gatherings won’t be the same without him!*
