“ *Michael, our hearts are broken over this news of you and for your family. It is a little comfort knowing you are together, again, with your mom!*

Thank you for letting us get to know you and your goodness and for the times we spent with you and your siblings; we have wonderful memories of those couple of years with all you kids and especially of you!

The world has lost a beautiful person, wonderful son, and devoted brother who always put his family and others first. We know you will continue in that manner, especially with your siblings.

Oh, and Nut may be headed your way sometime in the near future.

Can you please keep an eye on him til one of us gets there?

We love you, Michael, and will forever keep you in our hearts where you always have been since we met you.

“ I was a member of Michael's JROTC unit at La Plata High School. Michael was a great guy and always a pleasure to work with. He was dedicated and loyal and always did the right thing. I'll always remember the wonderful way he treated the special education kids in our class. It seems to me that God takes the good ones first.
