“ We were both so sadden to hear of Mike’s passing but my Mike was truly devastated. It just isn’t right, he said. It’s not suppose to be this way. A long friendship that will always be a part of his soul. Our deepest prayers go out to all the family especially Beth, Hugh and David. We hope the memories carry you through this time of grief and help you all find a smile again. My Mike will never forget the friendship they shared and I will always remember trying the impossible of keeping them out of trouble in our younger years. Ofcourse, torturing me brought them laughter which they knew fired me up. lol Lots of crazy, back in the day, memories to hold onto. Rest Easy Mike, Until we see you again. Michael and Sherry Lehnen

“ Words could never say it, people couldn't see it, but we held it in our hands. You touched so many people in so many ways. You are in the hands of our Lord now. You get to stop running against the wind. I will miss and love you always. PP
