“ *The staff and guests of the Bel Alton Motel will greatly miss our beloved Mildred (Millie). She would always have a smile on her face and would cook the best foods for special events. She would make sure every person would have a plate of good home cooked food. She would help take care of all the animals near and far. She was such a good friend and would tell you stories to make you laugh.*

“ Mildred had such a beautiful heart. She took care of my cousin, Dawn’s cat when Dawn had to move into a group home in 2003. Mildred would bring the cat to visit Dawn over the years and that meant so much to us. She took care of the cat until it passed in 2013.

*Sending love and prayers to the family.*

*Love,  
Dawn and Terri*
