“ *Randi and Susie used to come over my house all the time. They loved playing games with my husband Donny Kidwell. They loved betting him because he was a sore loser. We would sit and have a good laugh when ever he did not win. They were adopted aunts to my two children. Randi will be missed very much in our family.* ”

“ *My deepest sympathy to all of you on the passing of Randy. Randy and your family has been my family away from home since I met all of you back in 1985. I will miss my visits and reminiscing with her when I come down to the farm on my yearly visits. She always put a smile on my face. I will miss that hug. God Bless all of you and have some solace in your faith that we will all be together again. Love Don*
