“ *Prayers for Art & the rest of Maxine's family. It has been said that, "Where ever a good soul has walked, there is a trail of beautiful memories". This is so true in Maxine's case. I knew her as a bank representative in Indian Head. I had no idea until years later that she was actually a member of my extended family.*

“ *Mona Maxine was the pride and joy of my life! Her concern for me was so great that she worried over any sneeze or sniffle any ailments, although she herself endured some years battling some serious health issues she never felt sorry for herself nor whined or complained she just fought them like the lady she was and beat them all except for this last one but she put up one hell of a fight and gave inspiration to her family and many friends showing all of us what a real fighter she was. Maxine, will live forever in my heart and mind as the real woman and wife she was. I will be lost forever without her kind and gentle touch and the love in her voice calling for Arthur when she wanted me. The love of my life is gone from me for a little while, we will be rejoined in the future. I Love you dearly Mona Maxine.*

“ Absolutely one of the greatest people I've ever known. Such a beautiful person inside and out. The most caring, loving and sweet hearted person you would ever see. The world needs way more people like her. It's such a shame how everything ended but hopefully you are home now and know that you built a great foundation for us to be successful and live life to its fullest. Worlds greatest grandma, I will always love you Nana.

“ Dear Sweet Mona Maxine,
Art and Monica and David Jason, What a great time we have had in the few short years we have been friends. The first time we met, we knew we were friends for ever. Our memories are so precious! It is heart breaking that we have not been there through this time. Believe me our thoughts and prayers were a huge part of our days and nights.
Art we thank you for coming to that 50th reunion. It made us fast friends!
Remember at the motel when someone said while knocking at a door saying "its your snuggle bunny" or something like that, to touring the High School that we went to, right down to the Boldt Castle. Love you and will think of you and Art every day.
Monica, we love you, and thanks for keeping us informed. Fast friends. David Jason you are such a great gentleman. Never got tired of hearing about you. thanks for sharing the pictures with everyone.
our love and prayers for you all. To the rest of the family, we are sorry that we have not met you all. You have a precious Mother, Grandmother, and great Grandmother, and friend.
