“ I've known Nancy since I was a little girl, my mother worked with her at HSCC. She always had a smile on her face and was so excited to see me whenever I stopped by. She was a joy to be around and always put a smile on my face. She will truly be missed.

“ Nancy was a bright and shining light in the lives of many people. Her vivacious personality and quick sense of humor will be sorely missed. She was a good friend, a devoted sister, a supportive wife, and a loving mother/grandmother. Her time here on earth ended too soon. She goes forth shining, cloaked in the love of all those who knew her. Deepest condolences and sympathy to the family. You are all in our hearts and prayers. “ *I am truly sorry for the loss of Mrs. Drury. I had the pleasure of seeing her every week when she would come to have lunch with Victoria. She would bring me treats from Chaptico Market and always greeted me with a smile. I enjoyed our talks and she always made me smile and laugh. She was a very nice lady. My thoughts and prayers are with her family and friends.*

*Puff The Magic Dragon was the song Nancy always sang to me. The first time was sitting at Grandma's (Ethel) desk in the Tucker house. I was 8 and we were moving back to Texas and I wanted to stay. She sang Puff to me and told me that Puff would bring me anytime I needed him to.*

“ *This is my beautiful sister Nancy. She left this world to live with the Lord yesterday morning . I know she stepped from this old world of ours into the most wonderful place ever, with swirling colors we have never seen before. I believe that Jesus was there to greet her along with my Mom and Dad, her Father and Mother -in law, her Grandmother and my husband Sam . I know she is whole and healthy. She no longer has COPD or Asthma. She is breathing sweet air from Heaven. Her frail little body is strong .*

*She was loving, kind, generous, and loved her family dearly. She adored her husband Phil, and he adored her as well. She was always there for her children., and her grandchildren, especially Victoria, since she lived close to her.*

*She was not just my sister but my best friend . We spoke on the phone at least 3 or 4 times a week. And we talked for hours... we ALWAYS found something to talk about.*

*I am going to miss her terribly. She will always be in my heart , but I guess I am more anxious to go to heaven now. Not that I have any plans of doing so any time soon... but we never really know do we??? Oh Sister, I love you so much... It hurts to loose you.*

*Please Nancy, just watch us all from heaven and be our own Guardian Angel.... My tears are running down my face .. I can't seem to stop them. I do know that you want us all to not be sad , but to celebrate your life , and we will .. and remember ...*

*As Always . ... Ginger*
