“ To all the many caring people who knew my mother Nancy. I will never be the same without her. She was my inspiration, my rock. There will never be a day when thoughts of all she did for our family and others does not go through my mind. If you could wish for the best parents on earth my mother would be one you would want. Thank you all, for the calls,cards,flowers and kind words.

Love Always,
Barbara Haydon Foley
