“ *I dearly love Nancy we were close more like sisters. She would call me on my birthday which was her Mom's birthday and I would call her on her birthday which was my mom's birthday. Even though I live in N.C. we stayed in contact. Twice we would miss making the calls and after a year or two we would call. I loved her very much and she was my sister, best friend. Her birthday is coming up and I started to search for her. I will miss our laughter and at times tears. Debbie I am on facebook Hope M Patterson please find me. Love to Nancy and all her wonderful family.*

“ I worked with Nancy at the Soldier's Support Center and at the Army's Human Resources Center in Alexandria, VA, wonderful person and a class act. She loved her family so much, especially the grandchildren. I shall always remember Nancy! My heart goes out to the family, always remember her smile, it could light up a room.
