“ *Condolences to my family in the loss of my step-brother Ted. He was a kind hearted individual. I won't forget the time he spent living with us in Iowa as a young man graduating from high school in Manchester and most recently as Uncle Ted to my children in Brooklyn. Sympathy to my family: Ned, Mom, Ruth, Pam, Greg, Laurie, Larry, Linda and myself. I remember Ted as my big brother: babysitting me and Linda, protecting us from sand-throwing bullies at Backbone Beach, and of course "Kung-Fu Grasshopper" Rest in peace brother. May our family find peace in your memories and know you are in a better place. Until we see you again,.....with sympathy.....
your little sister, Tricia*

“ Well my brother I never thought I'd be reaching out you in email. I don't know where to start Ted, except to begin with I MISS YOU SO MUCH! And LOVE YOU MORE! Theo, I am trying to carry out your wishes, but it would appear some people think they know better than you what you want. I am not one of THEM, I will keep my promise to you and make sure you finally get to go home to IOWA. Pappers and Mammers will make some arrangements there, I believe you will have a private service grave side with the ones who love you. We sure have travelled some rough roads together, be WE made it because we had each other. Back in Palmer Park if you messed with 1 Minehart you messed with them ALL, and I sit here broken hearted, because that is no longer true. I am not sure what happened along the way, and really don't feel it would be right to air dirty laundry here. For you are so deserving of better than you had my brother. When you lived with us in Winchester I remember Pop-Pop and Mom would come over and us guys would spend hours in the driveway talking laughing and even crying. How my kids so looked forward to seeing Uncle Teddy, and how lucky they are to have had you living with them, for their memories are many as well. The endless weekends you, me , Darla and Nancy would share and laugh and carry on. The novel I could write on the memories. My Best Memory regarding my brother is that He loves me, I love him, and the kicker, You are my brother FOREVER! Put your arm around Mom and Curtis and squeeze them tight, and know you are missed and loved. I could just keep crying and saying over and over how much I love, but at some point I will run out of room, I LOVE YOU TED!!!!!!!!!!!!!! your brother greg
