“ My fondest memories are of our first Thanksgiving together, cooking in the kitchen and having a good laugh. My second fondest memory is of our lazer tag party. You with that vest. Holding that lazer gun like Arnold with an oozy and looking for trouble. Oh the smile it brings to my face. You were like a mother to me and I shall miss you. I love you mom. XO

“ *May God Bless Nellie's family ... as deeply as Nellie blessed mine! I have many memories of good times together with this remarkable woman and her family!*

She was always up for a card game, a Sunday afternoon football game celebrating our home team or an impromptu invite to a party celebrating life; but most importantly, she always took pictures!! And, then, she ordered prints the old-fashioned way so we all would always remember the good times!

Nellie, I will, forever, cherish the love you so freely gave to me!

Love, Charlene
