“ My thoughts and prayers to the Wade Family. Nick I will always have the memories of all the times we had in high school. I can't remember a time when you wasn't smiling or just wanting to make others smile. You felt like no one should be down while you were around and you did your best to make sure everyone around you was in a good mood. I just saw you a couple months ago and you were exactly like you always been. Smiling and joking. R.I.P. My Friend. Gone Too Soon.
