“ I will remember that Nina was always there when needed. When our church held our antique shows at the old Stardust we were always working hard but still enjoying ourselves. Lots of happy memories. You will truly be missed. My love to Ken and all the family.

“ *Nina was a good sister in law and I have a lot of memories of her. I am thankful I got to spend some time with she and Ken this summer. She was prayed up, packed up, and ready to meet her Savior, and that means a lot.*

“ Our youth group introduced innovative activities to Charles County. Two examples are Rock-A-Thons and Mystery Rambles. My favorite memories of Nina include her faithful, take charge ability in the kitchen supporting our efforts by providing meals for our very large youth group over entire weekends of rocking non-stop. She was awesome. She kept us going with food and drink to sustain and encourage us as our young people rocked to raise thousands of dollars year after year. Also, she cheerfully welcomed us home from our Rambles with a well organized meal so thoughtfully prepared time after time. She was the quintessential "Church Lady. " A real Treasure and sister in Christ who will be missed.
