“ *Norma was so loving, caring and had such a sincere heart. I think of you often with such fond memories. I just came across your obituary many years later and seeing your beautiful smile - made me smile! You are forever in my heart, until we meet again.*

“ *Norma was so genuinely sweet, and positive, and even when she wasn't positive, she had such an amazing sense of humor about it. I'll never forget her. Sending my love to the Gerrity's from the west coast.*

“ You couldn't ask for a better neighbor than Norma. I loved visiting her or catching up over the fence. She was always interested, smiling and loved watching our children and grandchildren when they were out in the yard. We missed her when she moved but were so glad she was able to spend some years with her family she loved so much.

Our condolences to Bobby, Kathie, Kevin and Megan.
