“ *Norma will be missed by so many as she was a kind, joyful, encouragement to all who knew her. I think of her with a smile on my face because that is the vision I will forever have in my mind of her. She was so supportive to me and my family during my husband's illness and death. She loved the Lord with all her heart, soul and mind as directed in Matthew 22:37 and I know she is now seated at the right hand of God. That too brings a smile to my face. I loved Norma dearly and I will miss her. My prayers go out to the family and all of us mourning her loss.*

“ *Norma has been such an influential part of my life the last 21 years. I came to work for her in December 1998. She had been working by herself when I came to her looking for a job at Aurora Travel. She always said I was sent to her by God, and I always felt it was God who sent me to her. It has been my absolute pleasure working for her, and though she's gone, she will always remain in my heart. The business will carry on in her honor. She always had a smile, always a hug if you needed it, always a kind word. I'll miss you Norma Norm, Love you, Tina.*
