“ *Mr. Garrison was a dear friend and colleague of my father's Sgt. John A. Smith, retired, on the Metropolitan police force. My father had a great respect and admiration for Mr. Garrison whose friendship they shared for over 4 decades. I had a number of telephone conversations with Mr. Garrison over the last couple of years, and his support was greatly appreciated during the time leading to my fathers passing. Mr. Garrison showed tremendous support and loyalty to my father, driving a long distance to visit him on a number of occasions and phoning my father regularly. Mr. Garrison's friendship meant a great deal to my father, and our family will always be grateful to him for it. May he rest in peace. Sincerely, Dennis Smith and family*

“ *Early in my life, I was very fortunate to have Norman "Jug" Garrison as a childhood playmate. We worked at the swimming pool together, boys club number 11, boys club camp for many years. I know Jug to be a fine person and someone who cares for other people. When Jug is your friend he is a friend for life. In the past 2 or 3 years he has been a major force in the "Anacostia Lunch Bunch". I will miss him here on earth - but I know he is in a better place. Miss You Jug. Your Friend, Ramon "Babe" Borrás*

“ We have known Norm for many years and he will always be remembered as a kind and caring man. We have gone on cruises together, dances together, Redskin games and the list goes on and on through the years. We recently saw him and he looked great so this was quite a shock to both us. May he rest in peace.

“ Jug was just a wonderful person. Have known him since High School and he and my husband Tom (deceased) were on the DCPD. Tom and Jug were the best of friends. Will never forget how kind he was when Tom was ill and always visited him both in the Nursing Home and when he came home. I was in Jug and Dee's Wedding. So many fond memories. Only knew his kids when the boys were young and Dee and Jug would come visit but he always talked about his family with such love and compassion. My heart goes out to his family at such a time of such shock and sorrow. RIP,

“ Such a shock to hear of Jug's death. A truly nice person and will be missed by Ed and I. So glad he could make it to our past reunion in August. Always could depend on him to bring the subs for our get together. Also, the calls he made were very dear to us. We've known Jug since High School and remember his lovely wife whom he lost so early in life. I'm sure they are together now. Our prayers and thoughts go out to the family. Love to all, Dolores and Ed Vincent.

“ This is a hard one...My father and "Jug" were brothers for life. I can remember when I was just a little girl and his wife was very sick and my father would just go to the house and be with him. They always seemed to have a bond with each other that nobody could come between. I remember Jug coming to see my father when his health was failing and he always put a smile on his face!  
Danny..Diana..Darrell...My heart and prayers are with you. I'm honored that your father was such a big part of my father's life. He made a difference.

“ You took care of me from the time I was 2 and you were 6. We were both bullheaded from time to time, but the love was always there. I will miss you so much. Your loving brother, Snooks.

*I searched for you two for years with limited information. Finally got to meet Norman when I was 21 years of age. We spoke several times, and mostly around the track at the high school. I know Norman is in heaven, and if I'm lucky enough to make it there myself, we will have plenty of time to talk more.*
