*I am so sorry about your mom. We were going thru the address list and thought we should check when I found this obit. I am sure mom and your mom are having a ball. There were so many pics that I had sent your mom with them at Skyline and having a picnic. They truly loved each other.

“ *Charlene & Jim,*

*So sorry for the loss of your mom. She will be missed, and will be remembered by all of those who knew and loved her. I know how much your mom loved her chocolates, so what better time to remember her, right at Valentines Day! Keep those special memories close to your heart. Prayers and thoughts go out to you and family.
