“ To a great crappie fisherman and friend. The only man I have ever known that trained his dog (Cowboy) to drive him where ever he wished to go. That was amazing to say the least. My prayer Russel is that the Lord will see you and your family through this trying time. You have many good memories with your dad, cherish them dearly. Your friends Henry and Janet Norton.

“ Oscar has been "Granddaddy Oscar" to so many kids besides his own, especially Jonathon, Jordan, Ashley, and Zachary. Fondest memories include Oscar fishing with family and friends, dancing in a grass skirt and coconut bra (Victoria's and Russell's wedding), and so many cookout's at Jay and Kim Hudler's, Rob and Carin Moss, and Victoria and Russell's (especially on Father's Day). These last few years have been tough for him as his health continued to decline. However, he still made every effort to make it down to the pier (thank you Russell for "pinkie") to participate in our "fishing contests." For many who don't know, Victoria and Russell have been caring for Oscar for approximately 14 years now. They built a separate home behind their house so he was close by and they could care for him after Carolyn passed away. I know because, Wes and I have been at Victoria and Russell's a lot and helped to look after Oscar, so they could get a break for a day or two. There were times we needed to pick Oscar up after a fall. He was stubborn and would try to help himself, but too weak. God bless Victoria and Russell for their patience, understanding, and fortitude - sometimes pushed to the limits. Rest in peace Granddaddy Oscar. You are loved by so many. Cathy and Wes Lomax
