“ I had the pleasure of working with Joe for several years at Andrews Bartlett. He was a man of few words, and when he spoke, everyone listened. I never had a meaningless conversation with Joe.

*One thing that sticks in my mind was his voracious habit of reading. We kept a big basket of paperback books in the office and Joe was always looking through that basket searching for new reading material.*

*May God Bless the entire family. I lost my dad to Alzheimer's. I know how hard it is. I know that Joe is at peace.*

“ *I worked with Joe for many years at GES and appreciated his dry  
sense of humor and military style. He always talked about his family  
and how proud he was of his sons. I'm a better person for having  
known him. My heart goes out to his family and friends. You are all  
in my thoughts and prayers.*
