who loved his children so much.
Gay an Tony he is with your mom and happy. I know it is sad for you

“ Gay, Tony and family, Ed and I are so sorry to hear you lost Joe. I have so many memories of growing up and Joe and Patsy always being so happy together at our family functions. He was feisty, funny, smart and he so dearly loved your Mom. He was so very proud of the two of you and I know he cherished his grandkids. One of my favorite memories of him is when him and Aunt Lib were having a good debate with each other over who knows what. They both laughed and carried on like two kids. Geez, I miss those days with our families all being together. What a wonderful bunch- and now they are all together again. Love to you all.

“ Gay and Tony, we're so sorry for the loss of your father and we're sad for losing our only uncle left. He really meant a lot to me and I was so glad to have been able to spend some time with him. I will really miss seeing his smiling face at our family gatherings but I know he's with Aunt Patsy and the rest of our family. We love you both and are here for you anytime.
