“ *Patty was my best friend in 8th grade. She played the piano beautifully and was a free spirit. We rode our bikes and her ponytail flew out behind her.*

Friends

*As we walk our path of life,
We meet people everyday.
Most are simply met by chance.
But, some are sent our way.*

*These become special friends
Whose bond we can't explain;
The ones who understand us
And share your joy and pain.*

*Life can be a challenge
Sometimes it seems unfair,
But when I was tired and struggling
It helped that you were there.*

*What can I give you in return
Your friendship is so dear,
Please know if you ever need me
I will always be here.*

*As long as we are living,
no matter when or where,
if you ever need me
just call and I'll be there.*

“ My name is Ellen Berto. I first met Pat and Ronnie when, as newlyweds, we both moved into our first apartment building. We became instant friends and spent most of our time together. We shared in the happiness of buying our homes, births, etc. Years passed and I met and married Ronnie's partner John. We became an instant business family. Pat did the bookkeeping and I did payroll. We traveled and enjoyed our time together. Years again passed and unfortunately distance has kept us apart. We have shared so much in our lives that our memories will never be forgotten. We will miss our dear friend. Our sincere condolences to Ronnie and his family.

My Name is David Goldberg I worked with Pat for 11 years at my families business at Alexandria Lighting and Supply. She was an amazing lady and the corner stone of the business. This news saddens me. I am fortunate that I had a chance to know her,

“ I'm Edye Goldberg. I was married to Irwin Goldberg for 25 years when he passed away in 2008. Irwin hired Pat as a 17 year old to work at Alexandria Lighting and Supply in Alexandria, VA. I met Pat at the store in the late 70's. She was a lovely lady who was interested in this world and her friends in it. I feel for Ronnie and the children and grandchildren. She will be sorely missed. Once a year she and Ronnie would come to Las Vegas to visit, stay at the Golden Nugget and we would meet them for dinner and catch up. I'm so sad that all that as ended. Now when I see or hear of the Golden Nugget, I will always think of Pat. We were fortunate to have her for awhile in our lives.

“ My name is Norma, I am Patty's cousin, we first met at a family reunion here in Colorado, we were both 13, I got to go spend the summer with her in NY and Maryland, we had so much fun riding an elevator at all hours at our aunt Fran's home, going downtown shopping, lots of stories. Patty taught me to play chop sticks on the piano, of course she was much better than I was, she was very gifted. We got ourselves in a little bit of trouble from time to time, but I have good memories. I would see her from time to time when she came to visit our aunts in Arizona. We talked on the phone and stayed good friends, we planned a few trips but they never worked out.

Patty was fun, beautiful, a great smile and laugh, she could be stubborn at times but I loved her and will miss her greatly. I know she is with her mom and dad and our other loved ones and I feel a comfort in that.

Patty loved her children and husband, my thought and prayers are with you all.

“ I grew up in the house next door to Patty. Being younger, we did not play together often, but I have sweet memories of the times we did. I thought she was wonderful. I remember seeing her play the full-sized accordion . I was impressed! We played in the cute little play-house her dad had made in the mini forest in the back of the house. We became acquainted again just last year after I located her on the web.

Ron, we will be praying for you and the family at this sad time. God bless you all. Pamela (Estep) Rhyne, Nokesville, VA

“ *In lieu of flowers, please consider donating to St Jude's Research Hospital (stjude.org) or Hospice of the Piedmont in Va (hopva.org) in Patricia's honor. Flowers cannot be taken to the cemetery so a donation would be a much more effective use of funds. Please ignore all of the "Send Flowers" links on the site. They are a permanent part of the website and were not requested by Patricia or the family.*
