*I remember your sister Patty very keenly! She always spoke and smiled which, though so basic, was something that I have always highly valued in a person. I know that Patty's passing will leave a large hole in each of you and my thoughts an prayers are with you as you journey through this difficult loss!*

“ *Patty was the kindest and best friend anyone could have asked for. We shared 30 some years of laughter, adventures, and tears. She helped me raise children and grandchildren. We shared our most intimate hopes and dreams and talked through our worst fears. There are few people in my life I held as a true friend she will always be the top of the list. God got a beautiful special person. She helped me through my darkest hours. I can never repay her for hours of support and conversation when life didn't seem worth living any more. I will miss her more than words can say. We always called each other "darrrrling" in the worst southern accent ever, it is a word that will always make me smile. Darrling rest in peace now, keep a spot warm for me, and kiss Jimmy for me. I will say goodbye to you with the words I always used "love your guts forever"*

*Patty was such a loving, caring, person and boss. I cherish the memories of working with her and Butch all those years ago when Howards Billiards was in business. Good times. She was a wonderful, wonderful woman and I will miss her. Prayers to the family.*
