“ *Hey Grandma ❤️ I hope you know how much I enjoyed getting to know you and learning about your life's journey , outside of being my grandmother. You led a path of love for me to begin my relationship with Jesus Christ. For that I cannot thank you enough! The strength you demonstrated during your time here has shown me (Christina & Mom too) that when handed lemons, there is no other option than to make lemonade. And just maybe you can add as much sugar as you'd like...depending on how sweet you want things to be! I will forever be grateful for the moments we shared and hope Skylar, Lillian & Tessa have your heart of gold and the strength to conquer this world with the same grace that you did. Love A & F ❤️❤️❤️*
