I do recall one as I was in my yard working, A young woman rode up in my yard on a horse, It was pat.. I know she ended up a great vet and loved horses I can remember one time she came down here in DE with Sonny & Millie and I cooked up some crabs from my back yard"Creek". May God bless her and you all the family, May she rest in peace Cousin Teddy & Bobbie Parker*

“ *For over the past 2 decades, Dr. K has cared for all of our cats and dogs...at the clinic and then mobile in our home....from new puppy and kitten.... to the seniors.....her passion, dedication, sense of humor and knowledge was always welcomed. Dr K taught many important life lessons and with grace, dignity and compassion, eased us thru the passing of a couple senior felines in our family. We are so so very sorry for your loss but know her spirit, twinkle and smile will live on in her daughter, whom she was so proud of....and the wonderful colleagues at Takoma Park Vet Clinic.....Namaste, jt, kendall, RayE & Mei Mei.*

“ *Dr K, as patients like me affectionately called her, cared for two generations of my cats. She was a fantastic vet, very knowledgeable and also wise (not always the same thing!). She had common sense and a friendly, candid way with people. When my older cats were very sick and dying, she provided the most caring treatment to them AND to me, their worried owner. I hope her family members fully appreciate how she truly touched the lives of people like me whose animals were in her care. We will miss her greatly.*
