“ I knew Patty through her involvement in Boy Scouts at Troop 144. Patty was a dedicated Troop Committee Member. She had great involvement in making sure every boy had every opportunity to advance in rank and have all the opportunities the Scouting offered young men. Troop 144 was better because of Patty’s involvement.

“ *Pattie known to me was one of my favorite cousins. She loved her mother Gertrude. She would drive her where ever Mama wanted making sure her wishes were followed thru. Pattie was upfront in who she was, you knew exactly what her thoughts were like it or not. A sincere soul she was and will miss some long conversations over the phone now and then. She sure could make me laugh*
