“ I met Pat when I came to work at Mahoney and Mahoney law firm. She was one of the most laid back people I knew. She was always helpful to me when I was learning my job and her sense of humor and wit kept me calm under pressure. I loved hearing her stories about her and Alan together that were so comical. She loved her family and they loved her; they were a very close knit family. She will be sorely missed but now her suffering is over. I loved her as a person and as a friend. RIP sweet Patsy.
