“ I was also a friend of Pat's through an on-line doll group. She was also one of my Facebook friends. She was a very creative woman giving us entertaining stories about her life, her family (Mom, Jim and Katie , her cats and her very special dolls Ginnys and Tessies.) I miss the moments we all had with her but will remember her always. I have her Christmas card and picture of Ginny here near my computer and I see it every day. Hugs to Jim and Katie and the cats. I hope that our words will give you some comfort as you grieve this very special woman.

“ Although I never met Pat in person, she made a huge difference in our online doll club, Baby Boomer Babies, sharing her marvelous Tessie adventure stories and her sense of humor with us. We are all missing her!

Peace, Love and Light to Pat, Jim and Katie!

“ I was privileged to 'meet' Pat through our mutual love of vintage dolls, and introduced her to some that made her laugh and gave her a creative and fun outlet during some of her difficult times. I spoke to her on the telephone many times, as well, and loved her insight and dry humor especially. I will truly miss that contact, as she brought some joy into my life as well! Love you, Pat...Jenny <3

“ I will truly miss my friend Pat. Our lunch dates and crab dinners will always be treasured memories. Watching fireworks at St. Mary's College and then stopping for coffee and donuts at midnight brings a smile to my face everytime.

Jim and Katie, be comforted that Pat has finally beaten the cancer she fought so hard against and is now pain free with her Lord and savior.
