“ *Almost 30 years of friendship I had with this beautiful, amazing Lady. I will always remember the times we laughed till we cried. I will miss those times. I hope you are hanging out with my Dad and watching over all of us here. I love you Pat*

“ HE ONLY TAKES THE BEST

*God saw she was getting tired
and a cure was not to be
so he put his arms around her
and whispered, "Come to Me"*

*With tearful eyes you watched her
and saw her pass away
and although you loved her dearly
you could not make her stay.*

*A Golden heart stopped beating
hard working hands at rest.
God broke your hearts to prove to us
He only takes the best*

*I learned over 20 years ago how to do
bee stings from Pat. My sister and I
believe I learned how to Live with MS
from her. Her advice has given me many
years of quality life. Bees today are
bringing me back to better health.*

“ My dearest memommy,
I am so blessed to have a second mom!!
Having you has given the greatest appreciation and respect for you
as a mom,grandmother and super woman!!
You loved me like I was one of your own children.Which makes me
feel like one of the luckiest girls in the world!!
You have been a therapist,a friend, a mother and the world's
greatest memommy!!💖💖
You take nothing lying down and you take it with a smile.
You find humor in what others would hide from.You bring laughter
with a side of sparkle!!
Dirty jokes with wine
Strenght with spirit
You do not let things break you.... You overcome
I hope when I broke a second mom that I do half as good as job as
what you have done for me!!
That would be the ultimate success!!
Thank you for Everything!!!
I love you so so much that words can't describe!!
I have immense gratitude for you and always will!!
I will see you in my dreams
I love you💖💖💖💖

“ My deepest sympathy to the entire family.
Although, I never met Pat personally I feel as
if I did hearing all of the wonderful things
family and friends had to say about her. May
she rest in peace.

“ *What an amazing "Bee Lady" so giving of her time, love and knowledge to help others. Although I never had the opportunity to personally meet you, we spoke by phone and corresponded through email, you will always have a special place in my heart. Rest easy now dear, you have earned it. Please watch over your "Sting Ray" your children, grandchildren and extended family, they are going to need some extra love showered down on them.*
