“ Aunt Pat I have so many memories of you, especially the Easter Monday gatherings at Clinton park with the family and of course with the horses and the ride in the 4th of July parade in Clinton. They were the best of times. You are now with Dad, Mom, Aunt Shirley, Uncle Bobby, Uncle Frank and Uncle Tommy and I am sure all of you are holding each other tightly and will be watching over all of us. Uncle Frannie, Robin, Joey & Billy, your Grandchildren & Great Grandchildren now have their own Guardian Angel to watch over you. May you rest in peace.

“ My fondest memory of Aunt Pat is that she was always so friendly, upbeat, and positive whenever we spoke!! Unfortunately, that was way to infrequent, due to MY not staying in touch nearly enough!

“ My mom, my hero, my best friend, Life is definitely not the same since you left. I'm going to miss you so very much, but I know you wouldn't want me to stop living or to be sad. I will keep your memory alive. Don't worry about dad I promise to look after him until the Lord comes to get him to be with you. Thank you mom for everything and for making me the person I am today! Love your Daughter

“ Patsy and I knew each other almost our whole life time. We met during our early teens and hence forth shared a lifetime of both sad and happy events. She met my cousin Francis Zimmerman at age 16 and they married not long afterwards. We were more like sisters than related by marriage. Knowing Patsy was always a blessing. She was a blessing to everyone who knew her. Kind, sweet, compassionate, always there to talk and offer Intelligent advice. Always so caring. There is a whole in my heart now forever forward and until we meet again in heaven when God reunites us as best friends and a true spiritual sisters. I love you Patsy and will forever miss you my ANGEL Patsy. You are now healed, never again to feel any pain. You earned so many crowns while here on Earth. Love ❤️ you for eternity my Sweet, caring sister, friend, relative. Rest in peace in Jesus' arms. ❤️

I was recently trying to get in touch by phone or email - when not able I checked the obits. My Dad was Uncle Tommy & my Mom Rebecca/Becky - I found lots of letters and pics from Aunt Patsy in her belongings when she passed. I remember Saturdays at the Clinton Park as a child also with my Mom & Aunt Patsy & Aunt Shirley & the Karl kids - wish I had been in touch sooner. I am sorry for you loss but as said - at peace & with her sister & brothers. Lydia (Smith) Woodson
