“ *Mary, my deepest sympathy to you and your family. It was such a long time that I had lost track of you and Pat , and such a short time since finding you were still "in the neighborhood". I'm so sorry I didn't get to visit, but enjoyed talking on the telephone; Pat's voice was the same as when I knew him so many years ago--fun and enthusiastic. My prayers for his peace and your comfort at this difficult time.*
Love, Trudy

Dear Mary and family, I was so sorry to hear of Patrick's passing. I have fond memories of the fun times we had at the CYO in Seat Pleasant at St. Margaret's.

So sorry to have lost touch but he will be remembered. My thoughts and prayers are with you and yours.
