

Patrick J. Reilly

December 20, 1955 - February 9, 2021

Patrick J. Reilly, Sr. of Bel Alton, MD passed away February 9, 2021 shortly after noon surrounded by his family. He was born December 20, 1955, son of Louisa and Thomas Reilly of Washington, DC. He was preceded in death by his mother, Louisa, father, Thomas, and siblings Charlie, Joseph, and Marilou. He is survived by his loving wife of 43 years, Sharon. He cherished his role as father to Patrick (Tass), Charlie (Julie), and Chelsea (Ryan); And as PopPop to Annabella, Sophia, Cameron, Noelle, Lucy, Gabriel, Emma, Ryan, David; and brother to 8 surviving siblings Elizabeth, Thomas, Celesta, Eugene, Christina, John, Anthony, and Bernard; and uncle to 12 nieces and nephews. To Pat, family was everything.

Patrick grew up in Washington DC, later moving to Prince George's County where he graduated from Douglas High School (1974). He met the love of his life, Sharon in 1976. They were married in April of 1978. Pat had always dreamed of being a Law Enforcement Officer. In 1978, he was offered a position as an officer with the Bladensburg Police Department. After a few years he and his wife moved to Charles County, MD, where Pat served as a Deputy with the Charles County Sheriff's Office (CCSO) for 17 years. During his career with the CCSO, Pat spent time as an Undercover Narcotics Officer, the first coordinator of Charles County Crime Solvers, a D.A.R.E instructor in the schools, active member and past President of the local FOP and so much more. Towards the end of his career, he spear-headed the Community

Policing Initiative in Waldorf, MD. His service to the community was endless. He retired in 1998. After retiring from Law Enforcement, he went to work as a General Manager with Brandywine Auto Parts. You may also know him as "Recycle Man" from the Brandywine Auto Parts commercials. After retiring from Brandywine, he launched into a new venture with the "Deputy Dogs" hot dog cart, which for the past 15 years has served the community through public events, as well as "Hotdog Tuesday" at Martin's Service Station in La Plata, MD every Tuesday between May-October.

Pat never met a stranger. He made everyone feel like they had been longtime friends. If you had a friend in Pat, you had a friend for life. He had an infectious laugh and was always quick with a joke. He was fiercely loyal, full of love for all, and truly had a servant's heart. He was a part of countless civic organizations including The Lion's Club, Crime Solvers, Boy Scouts of America, The Just Say No Club, and Southern Maryland Wood Carvers.

“ Though I'm unable to physically stand with Pat's beloved Sharon and their family I will be there in spirit and through my prayers. Like all who ever met Pat, even those he arrested Pat was my friend, but more than that we were brothers worked together, shared an office together, and in many other ways were kindred spirits - I dearly loved Pat and Sharon! Though we both dealt so often with death and grief of people we served in Charles County this time I feel as if a part of me is painfully missing. In my 79 years of life, in the military, overseas, law enforcement, and retired living in several states across our nation I've met countless people. But Pat was singularly unique and inimitable in his ability to break tensions, grief, and even life threatening situations through humor and genuine care and love for his fellow man, woman or child. It was as if all the great traits of the Irish without any of the argumentative or love of fighting were given to Pat at birth. In these troubled times our Lord must have needed to lighten the burdens of his angels and residents in heaven caused by our troubled times in our great nation and called for Patrick. There is not a doubt in my mind that Pat's crown of jewels he has sat aside as too heavy to wear and he has all in heaven, even our lord on his throne, laughing and joyful to have Patrick amongst them.

“ My brother Pat and I worked together on many community policing initiatives throughout the years and he was always ready and willing to lend a hand. His contributions to Charles County and the State of Maryland are well known. Pat was an amazing conversationalist and a man who was gifted with an extraordinary sense of humor. Aside from his remarkable career, Pat was foremost a close friend and confidant. Pat always made me laugh and I loved being around him. When I turned 50, he gave me a bottle of Geritol as a gift and we laughed together that evening. I was so happy to see him, Sharon and Patrick Jr there to celebrate. Since my retirement and having relocated out of state, I had seen Pat not as often, but we maintained contact as much as possible. I will miss him and will always remember Pat Reilly as my brother. To Sharon and the Reilly family, I send you my love and heartfelt condolences. Pat left an amazing legacy to be proud of. Your brother Jerry, 105.

Condolences to Sharon and the rest of the Reilly family. So many stories and not enough room to share of Pat's dedication to Crime solvers as we crossed the hi-ways and by-ways promoting Charles County Crime Solvers. Rest in heavenly peace my friend.

“ 1990 was the last CCSORA Christmas Party and although Sharon wasn't able to make it that day Pat/Santa was there. He came through the door wishing everyone a Merry Christmas and continued his evening expressing cheer and good will to everyone, that's just what he did. Both Pat and Sharon won door prizes that evening, Pat agreed to open Sharon's, it was bigger and easier to re-wrap, however inside the box was a painted decoy, Pat immediately said I'll just put Sharon's ticket on the other gift, I already have a spot for this. Not sure what Sharon received but Pat was sure she would like it better than a decoy.....We will miss you and your Santa suit, your friendly nature and of course Deputy Dog.

Prayers for you, Sharon, Patrick, Charlie, Chelsea and the whole family. As Celesta said to me, you and Marilou were the rock of the family. Hope I can see you in Heaven. Love, Tommy*
