

Paul Michael King

March 15, 1966 - October 10, 2024

Paul Michael King of Waldorf, MD passed away on October 10, 2024 at Hospice of the Chesapeake in Charles County. He was born in Washington DC on March 15, 1966 and grew up in Clinton MD. Son of the late Ida LaCroix and Bobby King.

Husband of Vicky King (née Romerstein) and father of Megan King. Brother of Lisa Faunce, uncle to 12 nieces and nephews and loved by many more. In his youth he worked at BK Millers and played basketball, baseball, and football. After graduating from Surrattsville High School in 1984 and briefly attending University of Maryland College Park. Paul worked as a route sales delivery driver for several companies; finally landing at Krispy Kreme where he became a route sales manager. He loved sports, both playing and betting, and was a fixture at many poker games, casinos, and harness races over the years. Paul made friends everywhere that he went just by being his jovial self. Over the last few years his health began to decline due to chronic illnesses. Please be sure to remind everyone in your life dealing with chronic illnesses to go to their doctors and heed all medical advice.

In lieu of flowers donations can be made to the charity of your choice. Some options Paul would've appreciated include: Charles County Animal Care Center, The American Heart Association, The American Diabetes Association, The Leukemia and Lymphoma Society, or your local Hospice.
