“ Mrs. St. Clair was a lovely woman whose kindness impacted me at a very young age. She was my favorite early childhood teacher, and she was a genuine friend to my Mom, Agnes. I treasure my memories of Saturdays on the St. Clair farm, enjoying the expansive view of Allen's Fresh. The entire St. Clair family treated us with love and respect. You have my sincerest condolences now that Mrs. St. Clair has passed on. May God comfort you with years' worth of amazing memories.

“*Heaven definitely received an angel when Mrs. St. Clair entered their gates. I always felt welcomed in her home which was filled with warmth and love. My love of hot tea came from her and to this day, I think of her when I have “a cuppa” of Earl Grey. My heart felt condolences to the entire family.*

“*My brother, John, and i had the pleasure of spending much of our childhood with Aunt Peggy. After we relocated to Southern Maryland we visited Aunt Peggy and family almost every day. With 5 kids, there was always something going on up on the hill. We made tea, cooked, did crafts, gardening and much much more. I will never forgot those memories and what an important part of our lives she was. Now you are happy and healthy and watching over us. Until we meet again, rest in peace. Sending all my love. “*Mrs. St. Clair was my 1st grade teacher at Middleton elem. in 1976. She was a fond memory of school to me. My mother (Patty Simpson) actually taught preK there so know her well as a co worker and said "she is a definite angel in heaven". Sorry to read of your loss. Please know she was well thought of and adored. Prayers to your family.*

“ Peggy was one of the kindest, most gentle and caring people I have ever known. She always brought a smile to those around her. She had marvelous stories about her life. Her love of family was obvious. Blessed are the children that passed through her classes and those of us who were part of her life.

“ Always loved Nana’s company and to hear about her life both here in the states and in England. Loved your homemade rolls at the holidays and when she taught her great-grand children Jennamarie and Jordan how to make them too. Such a warm person to be around. Thank you for welcoming me into your family. I love you always.
