“ I still miss you brother, I miss you everyday. We've been through so much in this life, we all had a really crappy childhood, got dealt a really bad hand. So much to overcome, but the pain got the best of you. Please continue to watch out for me, I love you and please continue to look out for me and especially Ben. Love you always.

*We are so saddened to learn of Phil's passing. We were Whitehall neighbors and friends. Phil also did some beautiful work in our home ~ very talented. He and our son shared the same birth date. It just really hurts to lose such a sweet young friend. Our heartfelt sympathy to all the family. You all are in our thoughts and prayers. God Bless and keep you all in His care. RIP Phil. We love you.*
