

Phyllis Susan (Shaw) Jones

July 12, 1949 - April 2, 2025

It is with heavy hearts that we announce the passing of Phyllis Susan Jones, a woman whose life was filled with love, support, strength, and resilience. She passed away peacefully with family by her side on April 2, 2025, at the age of 75.

Phyllis was the heart and soul of our family, and she will be deeply missed. A devoted mother, sister, friend, and passionate animal lover, she found her greatest joy in spending time with her loved ones and caring for her beloved cats and the wildlife that surrounded her home. She also found great comfort in crocheting blankets, generously sharing her creations with family and those in need.

She is survived by her children, Patty Willett and Chris Jones; her grandchildren, Katelyn Willett, Ryan Willett, and Samantha Jones; and her brothers, Kenny, Steve, and Wayne Shaw.

A celebration of Phyllis's life will be held on April 14, 2025 from 1:00 pm to 4:00 pm with a service starting at 3:00pm, at Raymond Funeral Service, 5635 Washington Ave., La Plata, MD 20646. In lieu of flowers, please consider a donation in her memory to the Humane Society of Charles County.

“ I met Phyllis when we worked in the Department of Justice’s Evaluation Staff in the 1980s and we remained friends throughout our careers and into retirement. As our friendship grew I discovered there was nothing Phyllis wouldn’t do for a friend: fixing bad self-given haircuts, helping to assemble new bridles, having her dad sharpen a lawnmower blade and setting up coffee every morning before I arrived at work. She did not drink it, but said she liked the aroma. And she always had time to listen to her friends problems and celebrate their good fortune. She will be missed.

“ Phyllis & I worked together at the Department of Justice. She was a wonderful person who was always there for others. My memories of her include how her face lit up when she laughed. She will be missed by many.

*Phyllis and I worked in the same division at The Department of Justice. She was always eager to help, be there as a friend, and always eager to lend an ear if you needed to talk to someone. The laughter and good memories I will always cherish.

*I have lost my only sister and dear friend. You have been so generous and cared for all who reached out for your warmth. The visits we shared when I would stop by and share an afternoon together meant the most to me. We could relive the past, watch a tennis match and discuss family matters. I will miss these times. I will treasure them forever. I miss you already and I feel a large void, but you will always be in my heart. Until we meet again....
I love you, Phyllis*
