“ I've only had the pleasure of know Ralph for about 4 years. He was such a COOL fella. I'll miss his witty humor and his voice every Monday telling me about the weekends car show and encouraging me to work on my car. Rest Easy Ralph. See you again one day.

“ I met Ralph in 1976 working at American Hardware. Driving his custom Van. Ralph Timmy forward and David Bryce became friends. Ralph was designated Driver back then. Shortly after he started working at Catterton Printing in DC with me. Several long days and weekends and a lot of laughs. He will forever Live with us . He taught us to be Humble and would do anything for you with out asking. One of the most hardest working and kindest gentleman I have ever known. Love You Ralph will see you in Heaven again one day my Friend.
