“ I had the pleasure of working with Ray for many years. Ray was a kind man with a gentle voice. He would come into the office and if my children were there he would goof around with them always making them laugh. Such fond memories. One of my favorite people to work with. May he rest in peace.

“ Uncle Ray was a kind and caring man. He would always call his brothers and sisters to discuss the happenings of the week and plans for the week coming up.

He always gave people the benefit of the doubt, and would take time to “see things” their way as we spoke together of family and things observed in his neighborhood.

He will truly be missed in this life however I trust that each of us who knew and loved him will carry some of his joy for life and caring philosophy with us as we continue our journey. We love you Uncle! - Mike, Ann, Cherie, Chuck, Jake, Elizabeth, Sarah, Ben, Ethan, Donatello and Titan-
