“ *I sure will miss you, Reggie. You always greeted me with a warm smile an a hug. And you always asked me how I was doing. And this goes without saying but....all the meals you cooked for me and Jasmine when we came to visit Ronnie were delicious and always looked forward to.  
I remember that you gave my sister Esther rides home from work at Pope's Creek.I remember you helping me out when we worked together at Pope's Creek. And I remember you giving me a warm greeting when I would come to visit Ronnie when we were first going out. I remember watching TV/ movies with you, your Mom and Ronnie.  
You will be missed Reggie. I'm glad I have fond memories to remember you by.*

“ *Reggie was a kind and gentle man who showed great compassion and friendship to the residents at the assisted living. Both residents and staff truly loved him and valued his friendship. Reggie was an excellent cook, who would make special treats for the residents, and would visit them when they were in the hospital. They loved to tease him and to chat with him. He would come and sit with them like family even on his days off. Reggie was totally devoted to his brother Ronnie, who returned the favor, like the true twins they are. These two brothers will always hold a special place in my heart. Pat Youner*

*Reggie was such a kind, gentle person. He had such a special way of sharing his love. He was so good to the residents at the assisted living he didn't just cook for them. He cooked with love, and he would visit with them and spend time with them he truly cared about each of them and about the rest of the staff who were there. Reggie was so devoted to his brother Ronnie they were twins. In every sense of the word. What a beautiful relationship they had. I know Ronnie will be so lost without his beloved Reggie my thoughts and prayers are with you, Ronnie and with the rest of your family, I feel certain that Reggie has a good space in heaven right now he surely deserves it.*
