“ *In 1974 I had just gotten out of the Marines as a Gunnery Sergeant at age 33 when I went to work for a company building swimming pools in Waldorf as foreman. On the crew was Richie and he was a good worker. We became friends and later when his brother Robert came to work at the Sheriff's Office I got to know him as well. I often saw Richie at the Waldorf Fire House as he was a dedicated firefighter. Throughout the years we lived in Charles County I often saw and chatted with Richie and he grew into a fine young man. He left at far too young an age but I'm sure his years of service to his fellow citizens has been well noted in Heaven. My condolences are with the family of Richie. God Bless
