“ *I am so sorry to hear this.*

I worked with Dick at Roadway Express me as a driver and Dick as a mechanic. He was a great person to work with and fine mechanic.

I ran into him several years ago at the Walmart in La Plata after we both had been retired for some years. As I recall he mentioned he was found to have lung cancer but had been treated for it and recent test showed that there was no longer any trace of it.

He will be remembered by me as a hard working pleasant person to be around.

Sympathy and condolences to his friends and family and may he now rest in eternal peace.

“ *Richard was a wonderful husband, father, grandfather, friend, and "cousin-in-law". His marriage to my beautiful cousin, Joan ("Chip"), was one of the strongest, sweetest, and best I've ever seen. He will be greatly missed, but will be remembered with love. Prayers and love to his family.*

The world's loss is Heaven's gain.

“ I am so sorry to hear about Richard. I loved being with both Richard and Joan the few times we were able to visit at their home. It wasn't bad enough that we lost Chip, but now this. It's just too much. Richard was one of the kindest, unassuming persons I ever knew. Chip was also. They were so dedicated to and respectful of each other, and kind and generous to everyone else. My heart is broken over our loss.

kindest thoughts from me to their immediate families.

“ I remember Rich always working on a vehicle! He even helped Ron get his '72 Duster on the road one Christmas break so that we could get back to college in TN. He was a hard working man that took care of his family. May he rest in peace.
