“ *I worked with Richard at American Safe & Lock from 1993 forward. I was with him when he first met his wife Valerie. He said: "She's mine..." and I knew he meant it from his heart.*

Richard is one of the finest men I have ever known and I never lost track of him.

He will be missed terribly by me and my wife - Diana.

God Bless his soul in heaven.

“ *Dear beloved Valerie, Margret, and family, I can't begin to express how sorrowful and heartbroken I am for all of you in your loss. We at the Fairmont Free Methodist Church have been praying since we received word of Richard's un-expected passing and will continue to cover you in prayer in the days, weeks, and months to come. Every time Richard would visit WV, and we had a chance to chat, he was always very kind, supportive, and appreciative of Margret's church family and it gave him comfort and peace knowing she had an extended family here in WV looking after her. Valerie, you and Richard showed the kind of love I wish every husband and wife would show each other, you have been truly a blessed wife to have such a loving husband who loved you more than life itself. I'm regretful to say that I will not be able to make the trip for the funeral, but, I will be at our church from 10:30am till noon, praying that The Lord Himself, will sit with you and comfort you, Margret, your family and much appreciated friends that loved Richard as well. Looking forward to seeing you when you make back to WV. Praying in Jesus' Name, Pastor Carl Radcliff*

“ Valerie,

I was both shocked and saddened to hear of Richards death, this is such a profound loss and I can only imagine your grief, and I share your pain. I know that there is little I can say to console you and words are so inadequate at this time, but I wanted you to know how sorry I am for your loss.

Richard was so well thought of by everyone who knew him and he will truly be missed. He always lit up a room when he walked in, he was such a wonderful person and a true joy to be around. The community has lost one of its very best and he will be long remembered by many. I have such fond memories of him and will always remember him and the good times we shared.

I hope that you will find the strength to get through this very sad and difficult time. Knowing that your friends are here for you will hopefully be of solace to you. Please know that my thoughts and prayers are with you and your family at this time and if there is anything I can do to help, please feel free to call on me. I will be praying for you and your family.
