“ *I knew Rich when we lived in country lakes. He was a great guy and a good mechanic. His son and my son played T. Ball together. Fun times back then. We will miss you Rich!*

“ *To my father and my best friend. Pop I am greatly going to miss you. From the time I was born you would do any and everything to ensure we were taken care of. Some of the best times were when you and I worked together at Mr Tire and you pushed me to be the best at my job and work hard everyday. I will always have those memories. The best times was watching you play with your grand daughters. You would have that great big smile on your face as you would play with them.. my wife, kids and I are devastated you are gone. I know you are watching over us in no more pain.. I love you pop and I miss you so very much you are always in my heart and never will be forgotten.*

“ "We will cruise in the LINCOLN again my friend!" Even if he was in Pain, he would lend a helping hand or come up with a solution. Always willing to try to fix any problem. We shared many laughs and road warrior stories. Rich could accomplish a lot with very little. His voice was always loud and sharp. Rich is and will always be in my "Family Circle". "I will and do Miss him Dearly." R.I.P. Rich. Cris

“ Rich was the brother I never had, and I was the sister he never had. He loved me wholeheartedly and I never doubted his loyalty. I did my best to take care of him for many years and he will be greatly missed by our whole family (especially Me & Daisy). May God open his arms and the gates of Heaven to you my dear friend, and may you rest in peace for all eternity behind those pearly white gates. I love you, I miss you, and look forward to being united with you again one day. Mama T (aka Teresa)
