“ *Dick and I first met in Columbia Maryland, over 20 years. He bought some airplane that I had, and he had a great sense of humor. We became friends over the next few years, we had many lunches at Clyde's in Columbia, went to many toy shows together, York, Carlisle. I lost touch with Dick a couple of years ago, due to my own issues. He was to me always a great person to me. When he was around we always had a good laugh. I wanted to reconnect with him. I was sadden to see that he has passed away. Please accept my deepest sympathy.*

*Deepest regards,
