“ *Our hearts are very heavy to learn of the passing of an awesome guy. RM and Dink were inseparable for many, many years....they worked together and played together.*

Every time I was around him, he had a smile on his face, he always made me laugh and always greeted me with a big hug. He was like a brother to Dink, he was family to us. We loved him and he loved us.

When he moved south, we didn't see him as much, but no matter how much time passed in between his surprise visits, things were always the same.....a hug, a smile and laughter and him and Dink picked up right where they left off. RIP RM.....you will be greatly missed.

My thoughts and prayers to the Mitchell family, I met Ricky while working at Pepco many years ago, I also had the privilege to play softball with Ricky on our Scruggs Construction softball team and a Over 35 team in Calvert County.
I just want to tell Ricky's children that your Dad always talked about you all and he was very proud of each and everyone of you.
Rest in peace Ricky, you were a true gentleman who left all of us a better person for knowing you.
