Born on March 21, 1919 in Berlin Township, Michigan, he was the son of the late Ramiro Moure' and the late Angela DeSoto Moure' who immigrated from Spain and Cuba in the early 1900's. Dick was the last surviving son of the 18 children (13 surviving to maturity) born to Ramiro and Angela. Over many years, Dick gained experience in many different jobs as his father moved their large family and family businesses around the country. He was a skilled carpenter and cabinet-maker, but made his living at Firearms International, originally located in the Oxon Hill/Accoceek, MD area. He was very active in his church, St. Mary Star of the Sea, Indian Head, MD and its church council. He served as lector and Eucharistic Minister for many years at St. Mary's. Dick and his wife, Nikki, joined the Spanish Club sponsored by the Charles County Community College and made many friends, there. They both were active Mall Walkers and enjoyed the activities and comradely of the associations and clubs to which they belonged.

In his last years spent at Solomons Nursing Center, he endeared himself to many of the nurses and staff with his charm and good humor and will be dearly be missed by his family and friends.

“ Terri and family, I will miss seeing Richard at Solomons. I usually greeted him each day, either when I arrived or when leaving. I was his Christmas Angel in 2014 and I enjoyed shopping for him. He was a dear man. He often spoke about Nikki and now at last they are united again and in Heaven. My thoughts and prayers are with all of you.

*My dad was the first important man in my life. He was strict but loving, with wry sense of humor. He taught us all the love of God, of family. These are just a few pictures of his long life. I miss you Daddy, but you are back with Mom, and with Jesus, and I know that was where you wanted to be. I love you!!*

“ Uncle Dick always talked to me in a fatherly way. He once sat me down to instill upon me the fact that hard work and a plan would reward me with the never ending list of 'wants'.  
Nobody was going to just hand it to you.  
I also enjoyed our conversations about his involvement with the A-25 aircraft during WWII. As a pilot, for me, it was a conversation of common ground with a lesson in history!

*Uncle Dick loved my Aunt Nikki. They were together forever - and now they are together forevermore.*

*We love you and miss you Uncle Dick.*
